❖ Call Meeting to Order – Called to order at 7:04PM

❖ Member Reports –

➤ President- Katrina Foxx

- Chairs - We can't sell at basketball games because stadium chairs are available through the Esko Schools fundraiser.
- Finalize policies - [Esko Fastpitch Association Policies.docx](#) - motioned Tom, 2nd Ashley
- Storage Building/Bridge Rebuild - Katrina received an email from the baseball board explaining that softball would not have access to the storage container under the bleachers due to lack of space and the high value of products in the container. They are limiting the number of individuals that have access to it due to these reasons. Katrina reached out to Tony Compo and Mr. Fischer about moving forward with the bridge rebuild and discussions about putting up a storage shed. At this time, the only response has been to ask who the baseball contact was that said we could not use this space. Katrina will continue to reach out to these individuals to get things going.
