

2025 Monroe Youth Football and Cheer

Sponsorship Packages

Dear Future Sponsor,

We are ramping up for an unforgettable 2025 season for Monroe Youth Football and Cheer. It is our mission as a league to teach our kids respect, compassion, discipline, teamwork and trust in a safe and structured environment. While developing skills and winning attitudes to improve character, sportsmanship, as they compete in a fun and challenging atmosphere.

As a prospective sponsor we want you to know that one of our core principles is to make both football and cheerleading affordable and accessible to all those that want to participate. Our registration and participation fees for 2025 are \$410 per child and even less for those families that meet certain criteria to receive a scholarship. Your donations will help cover the costs of insurance, referees, field rentals, and our scholarship program. Our equipment is refurbished, repaired and/or replaced each year based on current best practices established by USA Football and equipment manufacturers. To bridge the gap and meet expenses, it is up to us to generate financial support to keep the organization going strong. The continued support of generous donations from dedicated sponsors throughout our community over the years has made this possible.

We are hoping that we can count on you this year to contribute to the Monroe Youth Football Association. We are a qualified 501(c)(3) allowing your donations to be tax deductible. Your contribution will help the Monroe Youth Football and Cheer Association build well rounded young men and women of our future, right here in the Monroe community. Please consider a donation to support the continued work of the Monroe Youth Football Association. Should you have any questions or comments feel free to contact me directly.

Thank you in advance for your generosity,

Monroe Youth Football Association
