- 3:00 PM First Game – Needing fields to be lined. July 6, 2025

- Possibly needing 2 large wagons instead of the 2 large carts. They would like to have them by July 6, 2025.

President

- The fundraiser went well.
- Went out to Lake Erie Umpire Association and North Coast Umpires to get some quotes for older games.
- There is a company to fix the windows and the ceiling in the concessions stand. They have a deposit and stating that we should have the windows within the next two weeks.

General Manager

- Debating on single vs double elimination for playoffs.
- Needing to order awards for the end of the season.
- We ran short on food for the fundraiser. They gave salad dressing for 60 people when we had 160 people. We also ran out of silverware and plates. We are keeping a record of this year's shortcomings for next year's planning. We ran short on sides (4 trays). Someone will follow up with Fligners to provide feedback.
- We should get a banner outside of the fields to share information about the fundraiser.

Assistant General Manager

- Need to have a fine amount on signs for handicap parking. The police cannot legally do anything since there isn't anything posted. The police cannot enforce the towing since this is private property without it being posted as a fine.
- We need to have signs that say, "No hitting into the fence."
 - o We need 2 per field. (10)
- Backstop fences – replace the entire backstop for field 5 and field 1 – tabling for two weeks, so we have more of the board.

Vice President – Ways and Means
