Booster Committee Update

Charitable Gaming Report – Kirk Anderson provided the update.

A few months ago, the application was submitted to the state. The state is reviewing and providing feedback. One of the things the state wants the board to clean up is to amend the current bylaws to have 15 voting board members. There are a few other things that need to be completed as well, and Kirk is working on those. One thing is that Unmapped changed owners recently. The Unmapped liquor license needs to be changed, and the charitable gaming lease would need to be put into the correct name. Hopefully this can be done by the end of May. This is out of anyone's control on the board.

Marketing– Kelly Caspers provided the update

Registration for football:

Highschool for the summer training kids it is required to participate in summer camp.

Everyone is better prepared when there is an idea of how many kids are attending.

Please push them to register now. There is no payment at this time you are just saying you want to participate. 54 registered
