8. Old Business

Registration numbers - update. We are at 76 for mites and mini-mites and 153 for traveling.

Sponsor Update. Alex Peterson shared we are at about 50% paid so far from sponsors. We should come in close to sponsorship dollars from last year. Steve R. shared that he has heard good feedback on the Scheels discounted hockey gear promo that is running at the end of September.

USA Hockey Registration for board members. A reminder to the Board to get hockey registration for Board Members.

Tournament workers - SQC, BC, and BA Regions. A reminder to sign-up to work tournaments.

9. New Business:

Hockey Director Report. Chad Hacker sent a report to Mary Kelvie to share in his absence. Association wide numbers are down from last year. We need to focus attention at the lower age levels as Squirts/U10 are less than Pee Wee/U12. Bantams are going to have an A and a B team. There may be a possibility of two goalies that may waiver in at the Bantam level. Medford kids have to go to Faribault unless waivers have been signed. Coaching tools include Ice Hockey Systems and the site for tools. Goalie training sessions are finalized. James Wagoner has been handling the Fall Camp and doing a Breakfast Skate. OYHA coaches have been helping James Wagoner. Coach Coordinators have been set: Bantam Coach Coordinator Chad Hacker, Pee Wee Coach Coordinator James Gaulrapp, U12 Coach Coordinator Joel Gaulrapp. Coaches pay has been adjusted to go up for the Pee Wee level. Coaches meeting was held on 9/15. There was a presentation from Tony Cloud and Eric Fink and Chad Hacker discussed various other things. Steve Rick shared that Tony Cloud has been much more involved with the Association.

Tryouts - Pee Wee and Bantam 10/6 and 10/8.

Mite nets - required by MN Hockey. 4' nets are required by MN Hockey so that was approved during the Executive Board Meeting and hopefully those will be in prior to the first Mite practice.

Mite practice vs Game Jerseys. We will continue with the reversible jerseys at the Mite level which would be their game and practice jersey. Once they get to the Squirt/U10 level, they would get the traveling/game jersey.

DIBS - posting as able. DIBS are being posted as Mary Kelvie is able. Once game schedules are posted, more DIBS are able to be posted.

Summer Shot Challenge winners. The banner and t-shirts have been ordered. We will get that done at the beginning of the season. 7 travel players and 2 mites completed the challenge.

10. Adjournment: Motion was made by Brandon L. which was seconded by Nick F. to adjourn the meeting. Motion carried. Motion carried.
