Volunteer Commitment / Fundraising Option #1:

OPTION #1:

NO CHECKS will be collected this year. If your family doesn't meet the minimum volunteer requirements, your credit card or bank account on file will be charged the FULL commitment \$\$\$ amount as follows...

SQ/U10/older players: \$1000 per player

Mite only player deposit amounts: \$500 per player

The Volunteer Commitment will be considered satisfied when the family has completed the hours that coincide with the number of players enrolled in OYHA.

There will be NO pro-rating or partial credit given for incomplete commitments.

SQ/U10/older players - 1 player = 20 hrs, 2 players = 25 hrs, 3+ players = 30 hrs

Mite only players - 1 player = 10 hrs, 2 players = 15 hrs

Families with a Mite and older player (SQ/U10 or older) the commitment hours would be 20 hours for your older player and 5 hours for your Mite player for a total of 25 hours.

Volunteer opportunities will be announced, scheduled, and recorded via the "Resources" tab in CrossBar. These opportunities include, but are not limited to:

- Concession Stand for events, the SCFF, tournaments, and games
- Bingo and Meat Raffles at local businesses
- Team Managers
- *Other future fundraising possibilities to keep hockey affordable for our players*

Coaches and board members will be required to submit a "Volunteer Commitment" form.

Credit will be given in the proper amount for those who serve on the Board of Directors or in a coaching capacity at the end of the season.

Volunteer Commitment fees **will be assessed** for any family that has not **completely** satisfied their volunteer commitment on 5/1/2026.

New this year - ALL NO SHOWS will be assessed a \$50 fee to the credit card / bank account on file and no credit will be given.

Volunteer Commitment Home Tournament Requirements. During your player(s) home tournaments, **ALL** families of OHYA players will be expected to provide concession workers, announcers, scorekeepers, and penalty box workers for all the tournament games. These hours will be spread out throughout the association evenly and will **NOT** count towards the Volunteer Commitment Requirement.
