Points (2-win, 1-tie, 0-loss). 8 goal maximum goal differential

If two or more teams have an equal number of points (2-win, 1-tie, 0-loss), their position in the standings shall be determined by:

1. Head-to-Head
2. Highest Head-to-Head Goal Differential in games amongst tied teams (GF-GA) (Maximum of 8 per game)
3. Highest Goal Differential in all games (GF-GA) (Maximum of 8 per game)
4. Least Goals Against in all games (GA)

If after applying all the above rules and a tie still exists, the team with the most shutouts shall determine the winner.

If after applying all the above rules and a tie still exists, a coin toss by the tournament director (with 2 witnesses) shall determine the winner.
