Board of Directors Monthly Meeting

- The ERYHA Board strives to meet monthly on the third Wednesday evening of each month and attendance is required.
- Meetings start at 7 p.m. (Monthly Gambling Meetings at 6:45 p.m.) unless noted otherwise, and membership is welcome to attend.
- Notice in writing to a Board member is encouraged for time on the agenda, however, open forum limited time will be provided.
- Please refer to website calendar for location and any changes in scheduling.

Conflicts of Interest

- Any ERYHA Board member that may have a potential conflict of interest where their actions or relationships present the potential for improper personal gain or advantage, or will have an adverse effect on the interests of the ERYHA, shall report such incidents to the ERYHA President for further review and determination.

Board of Directors Election Process

- The ERYHA election ballot for all voting board members is to be finalized at the scheduled March ERYHA meeting by the close of the nominations.
- The nominations must be accepted via online submission through the website or in person by the March meeting annually.
- Once the ballot is finalized, there will be no write-in votes accepted by the ERYHA at the Annual Member Meeting in April.
- The finalized ballot will be posted on the website for view by all members.
- All board positions will be open to all ERYHA members, except for the Treasurer, which will require a vetting process for nomination acceptance.

ERYHA Board Member Responsibilities

- ERYHA Board Member Responsibilities can be found on ERYHA's website in the Policies area.

ERYHA Background Screening

- All personnel of ERYHA are subject to the screening standard adopted by USA Hockey. See the USA Hockey website for additional information as well as SafeSport Handbook for more detailed information.
- The intent of these rules is to reduce the risk of an ERYHA hockey player becoming the victim of sexual or physical abuse.
- SafeSport Training will be a registration requirement for every ERYHA volunteer for the season.
- SafeSport training is required for all parent(s)/guardian(s), board members, coaches, managers, event chairs & event assistants. The training is free of charge.

ERYHA Enforcement Policy

- As elected members of the Elk River Youth Hockey Association Board of Directors, we as a Board, will uphold and enforce all policies, procedures and guidelines that are contained in this manual.
- If a situation occurs, we will follow the appropriate procedures and take the necessary disciplinary actions abiding by the Elk River Youth Hockey Association Policy/Procedure Manual, and in accordance with the Minnesota Hockey Handbook.
- The membership has put faith in each of us, by electing us to hold a position on the Board. We have taken a vow to represent Elk River Youth Hockey Association in the best manner we possibly can. The best way is to follow the policies, procedures and guidelines that enable our Association to function.
- It is very imperative that every board member attends every regular board meeting scheduled. Stipend will be reduced if voting members do not attend at least 75% of the meetings and non-voting members do not attend at least 50% of the meetings. If the role is a co-coordinator role, only one (1) needs to attend to meet the guideline. Exceptions can be made at Board discretion.
- Commitment is a key word when elected by the membership and representing Elk River Youth Hockey Association. If you feel you are unable to fulfill your obligation as a director, you may submit a resignation to the board at the next regular scheduled board meeting.
- ERYHA Board of Directors meeting shall be run according to Robert's Rules of Order.
- ERYHA Reserves the right to make any approved changes to the handbook with notice given to the membership via the ERYHA website.

Investigations of Alleged Reports

- Our codes of conduct, along with District 10, Minnesota Hockey, and USA Hockey policies will be strictly adhered on a case-by-case basis.

ERYHA Registration & Move Up Policies

Late Registrations

- Registration done after the official end date on the ERYHA website will be subject to a \$100 late fee. Move-in players, Mites, U8, and Junior Gold are exempt from this fee.
- If a player attempts to register after High School tryouts are complete, they may be placed on a team if a roster spot is available. However, ERYHA will refuse to register a player who has quit a high school team after trying out and making the roster, except for a move-in player.
- The acceptance of a late registration is at the discretion of the Level Director.

Player Requested Move-Ups

Eligibility

- Players can submit a request for a move up to the next age level.
- Move up requests will be approved by the ERYHA Board, based upon a number of factors including, but not limited to, the player's skill level, team rostering needs, MN Hockey rostering requirements, etc.
- Move-up requests are only allowed if there is a need identified by the Board due to numbers and/or team size. All other move up requests will not be allowed with the exception of grade-level move-ups.

- OR -

- Players in their final year at an age-level with birth dates between June 1st and August 31st can apply to move to the next age level to play with their same grade peers. This is referred to as a grade-level move-up.
- If approved to tryout at the next age level by the ERYHA Board, the player may tryout and play for any team at the next age level.

Request Procedures

- All players must initially register with ERYHA at their correct age-based Minnesota Hockey level

- All Players who have requested to move-up to the level above their natural age level must submit a **Player Move-Up Request Form** for the opportunity to participate in tryouts for the level above.
- All applications must be submitted online, prior to the conclusion of the registration period and should include a letter of recommendation from their previous year coach.
- The **Board of Directors** will be prompted to review the **Player Move-Up Request** and has final say on any and all player requested move-ups.

Rostering Originated Move-Ups

- Following the close of registration, each **Level Director** should be provided with a count of players at their age-level from the **Registrar**.
- Rostering move-ups are driven by the number of registered players in a given age level (Mite/U8, Squirt/U10, PeeWee/U12, Bantam/U15) and are originated by the **Level Director** in order to help finalize team rostering process for a given age-level once tryouts have taken place. The **Level Director** must signal the **Board of Directors** that a rostering move-up situation will be needed identifying the **age-level** and the **number of open positions** needing to be filled.
- The **Level Director** may seek to move players from a lower level to create a proper roster for the number of teams he/she intends to declare. The **Level Director** may also seek to originate a “co-op program” with another association in the area to bring in players to play with Elk River Youth Hockey.
- The final list of move-ups will be communicated both to the **Board of Directors** for the proper tryout planning to occur.
- The **Level Director** will work with the **lower-age Level Director** to extend move-up offer emails to families of **final-year aged skaters** of the lower level age group in order of **oldest players first** until the level director has received an email confirmation in the amount of the number of move-ups needed to fill the age level.
- A player/family will be given 24-hours to confirm/reject the move up offer before the **Level Director** can choose to extend the offer to another player down his/her list. This should be clearly communicated as part of the move-up offer.

- Players who confirm the move-up can participate in any level of the tryout process, however, once a player has signed off on the level move-up, he/she cannot move down to his/her natural age-level based on tryout results.
- The Board of Directors may make exceptions to this rule and will have discretion on final team placement.

Goaltender-specific Rostering Originated Move-Ups

- A goaltender-specific roster originated move-up will follow the same process as the standard rosters originating move-up focusing specifically on the goalie position and making sure every team has the required number of goaltenders per the age-level program cadences.
- Move ups to an age level that is higher than the player's natural age level will be based on the number of goalies available at each level of play.
- These move ups will be at the discretion of the Board of Directors.

ERYHA Refund Policy

Refunds will only be given to ERYHA members under the following conditions:

- When a letter that has been signed and dated by the member stating intent to leave the team and/or association permanently has been submitted, or;
- When the player has received formal notification that the player will not have a position on one of the ERYHA teams.
- If a player quits after teams are formed, fees will not be returned but additional payments for the season will be canceled, if the account is up to date.
- Refunds for players who elect to leave ERYHA to play for the high school program will be evaluated on a case-by-case basis.
- The Board may, at their discretion, hold up to 50% of total fees for registration cancellations requested after the first day of tryouts.

If the player has not participated in **any** ERYHA activities for the season:

- Registration fees will be refunded in full for the season when the original checks have cleared minus \$200 fee.
- Fundraising fees will be refunded in full if the buyout option was used.
- The USA Hockey fee will NOT be refunded

If a player has participated in preseason skates and/or tryouts, but has not participated in any practices or games with their team (this includes players who have participated in tryouts, but for whom ERYHA does not have a team for them to play on):

- Registration fees will be refunded with the following conditions:
 - All ERYHA equipment has been returned to ERYHA in good condition.
 - Any outstanding negative balance to ERYHA will be subtracted.
 - A \$200 fee will be retained by ERYHA and subtracted from the refund.
- Fundraising responsibilities will remain the responsibility of the member.

ERYHA Residency Policy

- ERYHA follows Minnesota Hockey's Residency Policy, specifically Article III, IV

ERYHA Fundraising Policy

Mandatory Fundraiser

ERYHA has one mandatory fundraiser, which helps to defray ice fees for the association. During the registration process, families have the option to buy out of this fundraiser.

Optional Fundraisers

- ERYHA may also offer optional fundraising opportunities for families to offset their ice-fees. Families have the option to buy out of this fundraiser.
- The mandatory and optional fundraisers may vary from year to year, pending the successes of the sales from the past and budget requirements.
- Fundraising options for the current season can be found on the Fundraising page of the website

ERYHA Volunteer Policy

ERYHA depends on the volunteerism of our members. It is critical that we all share in the commitment to the success of our association. The Elk River Youth Hockey Association requires each family to fulfill a certain number of volunteer hours each year as defined by the ERYHA Board of Directors. This volunteer requirement is necessary for the Association to function as well as to fulfill district and regional obligations. It is the ERYHA Board's responsibility to ensure that volunteer opportunities exist to enable each family to fulfill their obligation.

- The annual required volunteer hours requirement is per family and will be published on the Fee Summary document on the Registration page of the website.
- Half of these allotted hours MUST be completed at an ERYHA sponsored tournament and/or District 10 playoff tournament*.
- The remaining hours can be completed at tryouts, fundraising, SKATE banquet, etc. (see volunteer positions for a complete list and additional guidelines).
**Hours allocation breakdown is subject to change based on ERYHA Board approval.*
- Families that do not complete their entire 12-hour volunteer requirements for each season and do not pay the buyout prior to December 31 will be billed \$1,200 via ERYHA Invoice. Volunteer hours will not be prorated if the full amount is not complete. All account balances must be paid prior to registering for the following season.
- During the registration process, families will have the option to buy out of this volunteer requirement for a fee of \$600.
- Our online volunteer system 'Dibs' will allow you to sign up for and track your hours throughout the season.
- Please keep all of your volunteer hours under one "member" account in SportsEngine.
- It is the duty of each family to validate the accuracy of your family account information, hours pending and complete.

- If your family signed up for hours you need to cancel, you may do so via the 'Dibs' tool based on the cancellation policy noted on each volunteer event. Without the required advance cancellation, you will be responsible for finding a replacement and notification to Volunteer Co-Coordinator(s). If you are a 'NO SHOW' for your shift you will be charged a \$50 fee (per shift as NO SHOW).
- If hours that are not posted on 'Dibs' are completed, please have the Level Director or Board Member approving of the hours notify the Volunteer Coordinator.
- Final approval of non-dibs items is at the discretion of the Volunteer Coordinator(s).

Please note: Due to the shortened season, families with only a Junior Gold player are exempt from the volunteer requirement. Volunteer hours will be posted and tracked via the ERYHA website on the volunteer page (Dibs).

The following positions will fulfill ALL required hours:

- ERYHA Board Member
- Team Sponsor- Gold Level or above sponsorship or recognized ERYHA approved affiliation
- Rostered Head Coaches
- Rostered Assistant Coaches (max of three per team)
- Team Manager (one per team)

Approved volunteer opportunities that will apply **towards** the volunteer requirement:

- Tryout volunteer*
- Tournament volunteer
- Fundraising volunteer (Raffle Distribution, Restaurant events)
- Open House and registration volunteer (if applicable)
- SKATE banquet volunteer
- Equipment volunteer
- Approved board member assistants

* **Tryout Volunteer Guideline:** The Parent/Guardian/Family Member of a skater/goalie is NOT allowed to volunteer for any session in the arena during their player's tryout time.

-
- Volunteer hours cannot be shared or transferred from one family to another without the ERYHA board approval. This request is to be brought to the attention of the board at a monthly board meeting. The goal of the volunteer policy is to distribute the workload among all the ERYHA families.

ERYHA Ice Scheduling Procedures

- View the ERYHA Ice Scheduling Procedures policy on the website for details.
- The ERYHA Board reserves the right to make changes to this policy in order to serve in the best interest of the entire association. This may be necessary due to the ice time assigned by the Furniture and Things Event Center and/or other local hockey arenas.

Individual Team Checking Accounts

- The only team that is allowed to maintain their own checking account is the Bantam AA team, due to the VFW sponsorship. If the Bantam AA elect to do so, they must fill out Form #9808.
- If a direct sponsor donates towards a team, this money will go into the ERYHA general fund, and the ERYHA Treasurer will then give the team a check for that amount.
- When obtaining an individual checking account, Form #9808 states the criteria including:
 - The team
 - The bank
 - The account number
 - The name(s) on the signature card
 - The date opened
 - The date closed
 - Confirmation that a year-end statement was submitted to the parents
- Confirmation that a year-end statement was submitted to the travel director, with a copy of Form #9808.
- Form #9808 was designed to help keep team accountants honest and to keep ERYHA Board of Directors informed.

ERYHA Teams Participating in the State Tournament

Any team that is participating in the Minnesota State Tournament at their level will be invited to a Minnesota State Participant banquet. The banquet fee will be provided by ERYHA. The banquet will be held prior to the Minnesota State Tournament(s) and information will be sent accordingly.

ERYHA Coach Pay Reference

- ERYHA will pay **non-parent** head coaches according to the following pay structure:

If two parents co-coach a team, the total paid is \$1,000 so they would split, and each get \$500. An exception to this rule is if a parent head coach coaches the top Bantam or Girls team (ex: BAA or U15A), they will be compensated \$2,000

*A maximum of two hotel rooms for two nights will be reimbursed for non-parent coaches per association-registered out-of-town tournament or any out of town league games, unless prior approval is received from the ERYHA Board. Hotels for additional tournaments will be the responsibility of the team's slush fund. It is up to the coach to submit an expense report to the Treasurer for reimbursement.

- **Additional Incentive:** The ERYHA rostered coaching staff of teams that qualify for a MN State Hockey Tournament will receive a \$500 bonus.

ERYHA Playing Standards

- ERYHA believes and encourages equal playing time.
- This does not mean stopwatches and logbooks are used. It also does not mean play has to be completely equal in each and every game.
- Parents and skaters need to realize that on a per game basis, penalties will play a large factor in playing time. There may be other factors that contribute to playing time.
- The coach is encouraged to explain to the parents his/her playing time philosophy at the "Parent Meeting".

- If a player or parent feels that a coach is not following this policy, he or she should discuss this issue with the coach.
- Any parent should use discretion when contacting the coach and follow item number 6 of the "Code of Conduct for ERYHA Parents and Spectators" as below:

6. Recognize the importance of volunteer coaches. They are important to the development of your child and the sport. Communicate respectfully with them and support them. If you have concerns, please wait an appropriate 24 hours before phoning the respective coach to have a constructive discussion regarding your concern. Never address your concern directly in front of the player(s) or in the arena. If you have additional concerns, contact your level director with your issue.

- If the concerned parent feels that the policy is still being abused, the parent should contact the level director immediately. The level director will discuss the situation with the coach. The level director will then contact the parent.
- If after contacting the level director, the concerned parent still feels that the policy is not being followed, they will need to file a grievance per the ERYHA handbook. At this point the grievance procedure will go into effect.
