Dear Principal,

As President of the Beloit Youth Hockey Association, and on behalf of our Board of Directors, I would like to ask for your assistance by having you sign a statement which certifies that a player from our organization has met the criteria for our Beloit Youth Hockey Association Scholastic Achievement Award. **Candidates for the Scholastic Achievement Award must earn a 3.0 GPA or above and no grades of "F", or all marks of "S" and "I," but no marks of "N" or "U," in each grading period during the season.** Students eligible to receive the award should meet the above requirements in the first three grading periods. Players who meet these criteria will receive a special certificate/patch indicating they are a BYHA Scholar.

In addition to our Scholastic Achievement Award, **we will also recognize our young athletes who have maintained a 4.0 grade point average throughout the first three grading periods.** Players who meet these criteria will receive the patch and will be honored at our end of the season banquet. There is a box on the form for you to mark if the player qualifies for this award. As an association for Beloit area youth, we are committed to the total development of the young people who participate in our program. Through the game of hockey, we introduce youth to competition, sportsmanship, and respect for others. We also teach them self-discipline, the value of hard work, and the importance of teamwork. In short, we are trying to do our part to help prepare them for life. We also recognize the skills and lessons they learn through BYHA are not enough to ensure their success in life -- they also need a good education. BYHA supports and encourages our young athletes to excel not only on the ice, but in the classroom as well. We sincerely hope that you will assist us by confirming that this player is eligible to receive the 2023-2024 BYHA Scholastic Achievement Award.

Should you have any questions or concerns regarding the BYHA Scholastic Achievement Award or the certificate process, please do not hesitate to contact me. Thank you for your cooperation and support.

Respectfully,

Stephany Delgado
