November 20th : Sorting of Greens at Stacy’s Nursery

- Arrival Time 6:15- 6:30am – We are starting sorting earlier at 6:30am this year in hopes that a member from each skater's family can come help, and take your greens home right away. This will eliminate the need to have greens leaders spending all day at Stacey’s. The more volunteers to help sort the faster they get bagged and are available to pick-up!
- If you cannot be there between 6:30am to 8am, it is your responsibility to reach out to your team's greens leader to set up a different time on November 20th.
- ALL families are expected to bag and pick up their own greens. You’re are responsible for what you take; if you count wrong and need more, you will be charged.
- **TEAM GREENS LEADER (OR A DESIGNATED ALTERNATE) MUST BE PRESENT UNTIL THEIR TEAM PICK-UP IS COMPLETED; NO ONE ELSE WILL DO THIS FOR YOU! The team greens leader is responsible for the worksheets for each player on their team at the nursery.**

Association; please double check this. **CASH WILL NEVER BE ACCEPTED BY WHA;** if you receive cash, then write out a personal check for the total you receive.

**Consider putting in thank you notes and a schedule so your customers can come watch the player they are supporting!*

December 1-2: Sales records & checks are to be turned into the Team Greens Leader. ***Keep your order forms with names on them for next years' sales; If you are a second year bantam or 12U leaving for High School you may give your sales sheets to a younger player at your discretion.***
