Starting last season, BBLYHA implemented a new \$100 annual fee to cover the cost of jerseys and 1) pair of socks for your player every 2 seasons. This fee ensures that your child receives a brand-new jersey every two years, along with a pair of socks. This will reduce the burden of the larger, one-time fee you may have experienced historically.

Benefits:

- New, high-quality, and durable jersey every two years.
 - Creates unity and pride among players.
 - The fee is spread over two years versus a larger one-time fee.
-
