The role requires strong leadership, communication, and organizational skills to effectively support the growth and success of GYSBA programs.

Key Responsibilities:

- Develop and implement structured training programs to enhance player skills at all levels.
- Work closely with coaches to ensure consistent player development strategies.
- Assist players in understanding and navigating the college recruitment process.
- Provide resources and guidance on creating recruitment profiles, highlight videos, and contacting college coaches.
- Provide ongoing feedback, mentorship, and resources for player growth.
- Assist in coaching clinics and training sessions for players and coaches.
- Communicate regularly with the Board of Directors, providing updates on recruitment and development efforts.
- Work with parents, guardians, and stakeholders to foster a positive and inclusive environment.
- Ensure all activities align with the mission and values of GYSBA.

Qualifications & Skills:

- Experience in player development, coaching, or recruitment in youth sports.
- Strong knowledge of softball fundamentals and training techniques.
- Excellent communication, leadership, and organizational skills.
- Familiarity with the college recruitment process, NCAA regulations, and scholarship opportunities.
- Ability to build relationships with players, parents, coaches, and college recruiters.
- Passion for youth sports and a commitment to positive athlete development.
- Previous experience working with youth sports organizations is a plus.
- Ability to work evenings, weekends, and travel as needed.

How to Apply:

Interested candidates should submit a resume outlining their experience and passion for youth sports development to: president@gysba.org & stormdirector@gysba.org
