

CAHA SCHOLARSHIP OPPORTUNITIES

Cadillac Area Hockey Association firmly believes that every child with a desire to play hockey should have the opportunity to participate in our program. We recognize that there are situations that can limit a family's ability to pay. Our association is committed to bridging that gap and allowing every child that desires to play to do so. In order to achieve this goal, we have instituted a process to help those needing financial assistance. Please refer to the three-step process below, to request scholarship aid. If you have any questions please email cadillachockeytreasurer@gmail.com and we will be happy to assist and guide you through the process, or answer any questions you may have.

Step 1

All families requesting financial assistance from CAHA are required to apply for the MAHA scholarship prior to being considered for additional assistance. Details and application for the MAHA scholarship may be found at <https://www.maha.org/scholarship-fund> MAHA, the Michigan Amateur Hockey Association, is the governing body of all associations in Michigan, and yearly provides assistance to the families of players in need.

Step 2

After applying for the MAHA scholarship, families must submit their CAHA application. All applications will be kept in the strictest confidence and will be reviewed confidentially by the CAHA scholarship committee. Information provided in the scholarship application, including recipients of scholarship awards, will never be shared publicly. Once completed, email your application to cadillachockeytreasurer@gmail.com for consideration. You WILL receive a confirmation email once your application has been received, as well as any follow up questions and/or requests for additional information (if necessary).

Step 3

As a volunteer organization, we rely on our members to keep the organization running. While ALL members are expected to contribute, we do ask recipients of financial assistance to volunteer as much as they are able to help drive the success of the entire organization. Participating in association fundraisers, hosted tournaments and events are a crucial component that allows the association to continue supporting our members' needs.
