8:55 PM Force		
9:05 PM Squirrels		
9:15 PM Hawkeyes		

Best of Times will be taking photos immediately after each team gets their equipment. Once your player receives their equipment, head back to the EAST side of the building and go inside. Your player will be directed where to go once they get inside. Parents do not need to come in as it will be too congested. Coaches, be sure to have your coaches shirt on. Parents, be sure your player is fully dressed in their gear, has their jersey tucked in and if they want to wear gloves for their photo, be sure they have them with. Players do not need their helmets for pictures so **MAKE SURE** players keep track of THEIR helmets as they all look the same/similar. Best of Times will also be available at makeup night.
