

2025 EQUIPMENT HAND-IN SCHEDULE

Equipment hand-in will be run just like equipment handout, but much quicker. Please enter the **Metro Rec Center (3110 Main Ave, Fargo)** through the **EAST** doors (closest to Nash Finch). The players need to bring back all of their equipment handed out by FM Athletics (game jersey, helmet, shoulder pads, pants). The kids will need to go back home and get anything they forgot. Coaches, please call anyone on your team that has quit and let them know. Coaches, don't forget your football bag, dummies, hand pads, and coaches kits. **Jerseys and uniforms DO NOT have to be washed.** If you have any questions, feel free to email me at dallasraftevold@gmail.com

Thanks,

Dallas Raftevold
