OPPORTUNITIES**

OUR VISION

Our organization strives to create a positive and inclusive environment where veterans can heal, connect, and grow through hockey. We aim to reduce or remove financial barriers to participation and leverage our growing community to make a meaningful impact at the local level. In the immediate future, we plan to fund and operate two adult recreational hockey teams in the Chiller Adult Hockey League, welcoming both beginners and experienced players.

Additionally, we will host monthly Stick & Puck and Drop-In Hockey Sessions to help players develop their skills while receiving mentorship from seasoned players and building team camaraderie. Looking ahead, we intend to partner with reputable training companies for specialized skills clinics, collaborate with other Warrior Hockey organizations for events, and compete in national Warrior Hockey tournaments such as the USA Hockey Warrior Classic.

Our mission prioritizes being a community-first organization, with national-level participation as a secondary focus. The Chiller Adult Hockey League, Stick & Puck sessions, Drop-In Hockey sessions, and skills clinics will be open to all honorably discharged veterans, Active-Duty and Reservist servicemembers, and Gold Star family members. National events such as the USA Hockey Warrior Classic, exhibition games, and networking opportunities will be reserved for disabled veterans who meet the eligibility requirements, per USA Hockey's Warrior Hockey guidelines.

In addition to this, the Warrior Hockey team will participate in and host events with other Warrior organizations such as tournaments and exhibition games.

VETERANS HOCKEY

The veterans hockey pillar focuses on improving the lives of veterans, service members, and gold star families in the greater Columbus area. CWH leverages the existing adult recreational hockey program hosted by The OhioHealth Chiller rinks to create opportunities to establish meaningful peer-based support networks, develop a healthier lifestyle through physical activity, and heal from trauma through the sport of hockey.

OTHER OPPORTUNITIES

SPONSORED PROMOTIONAL MATERIALS

Partner with us in a way that allows both of our organizations to grow! We can include your branding on our promotional materials, like our stress pucks, handouts, and other event giveaways. Your support is proudly displayed front and center.

WARRIOR HOCKEY HELMET SPONSOR

This sponsorship tier helps pay fees and costs associated with USA Hockey-sanctioned events. The team will wear your brand's logo on our helmets during the Warrior Classic and Warrior Nationals. This provides national representation for your organization.

ADDITIONAL SPONSORSHIP OPPORTUNITIES

As we grow, we anticipate participating in and/or hosting events that will require additional support. We will seek opportunities to increase return on investment for our sponsors and will communicate any additional advertising opportunities we are able to generate in the future. Current sponsorship packages do not include additional coverage for Warrior Hockey (USA Hockey-sanctioned Disabled Veteran Travel Hockey) as the tournament fees, travel, and other costs associated with USA Hockey's Warrior Classic (and other such tournaments) require additional funding.

Our approach is and will always be to take care of our community first and then participate in national events second. Our current sponsors will be given priority for event and Warrior Hockey sponsorship opportunities. In no way will event sponsorship remove, reduce, or supersede any of the advertising opportunities outlined above.

THANK YOU

Our Team would like to extend our sincere gratitude for your time and consideration. Donations from businesses and people like you are what allow us to carry out our mission of supporting our local veterans through hockey. We hope to partner with you and to have you as valued members of our warrior community!
