1.0 The League

1. STATEMENT OF PRINCIPLE. The CHESAPEAKE BAY HOCKEY LEAGUE (CBHL) is sanctioned by USA Hockey, and a member of the Potomac Valley Amateur Hockey Association (PVAHA), an affiliate within the Southeast District of USA Hockey. The league consists of associations registered with USA Hockey located throughout Washington DC, Maryland and Virginia which register Tier II teams.
2. GAME RULES. All Chesapeake Bay Hockey League (CBHL) games will be played under the rules of USA Hockey and the affiliate, the Potomac Valley Amateur Hockey Association (PVAHA), (to the extent that the individual rink facilities permit such compliance). In addition, the CBHL Board of Directors may modify or supplement USA Hockey and/or PVAHA rules with local rules applicable to CBHL games, as appropriate, to carry out the objectives of the CBHL bylaws.
3. ENFORCEMENT. The CBHL (as empowered by USAH) reserves the right to forfeit games, adjust standings and/or fine any CBHL member association, team, team official, player or player's parents and spectators, as necessary to maintain the philosophy of USAH and the good of the CBHL.
4. RULE CHANGES. CBHL Board of Directors will review and approve the CBHL rules prior to the start of each season and will not change them during the season. The Commissioner will notify the Board of Directors of proposed rule changes and the timing of meetings for reviewing and approving the rules.

2.0 The Clubs

1. COMPLIANCE. Each Association (also referred to as "club") shall comply with the By-laws, Rules and Regulations of the Chesapeake Bay Hockey League (CBHL), the affiliate (PVAHA) and USA Hockey. This includes tryouts which are set by the PVAHA. Teams and associations that knowingly violate the Affiliate tryout restriction will be subject to a hearing that may result in the club being ineligible from CBHL playoffs.

All coaches must comply with the USA Hockey SafeSport

 - e. All declarations will be reviewed during the year to determine if a team has declared at the correct classification, division, and level. It is expected that each club will consult with their most experienced coach or coaches for placement assistance since they have been through the placement process over the years.
 - f. These rules have been developed to make the CBHL the most competitive it can be. When in doubt, a team should always play at the higher level. The Commissioner and, if requested by the Commissioner, the Competition Committee is available to answer any questions but ultimately the decision to declare that a team will play at a certain level is for the Club to make.
 - g. In accordance with Section 6.2 USA HOCKEY OFFICIAL 1-T ROSTERS hereof, it is emphasized that the league will conduct a final review of each placement decision between December 31 and January 31 to verify team eligibility.
 - h. As used herein, “major birth year” means a second year player at the USA Hockey age classification for a particular age division, and “minor birth year” means a first year player at the USA Hockey age classification for a particular age division.

- iii. A team may play in the Wales Division if it has 50% or less major birth year players.

Clubs with TWO teams at one USA Hockey age classification:

- i. One team, regardless of a major to minor birth year player ratio, must play at a minimum as a Patrick Division, Lower A team. However, the higher level team must play in the National Division at the AA level if the team has more than 75% major birth year players.
- ii. The first team must play at the Patrick Division Upper A level if it has 67% or greater major birth year players.
- iii. The second team may play Patrick Division, Lower A with no age requirement.
- iv. If the second team wants to play in the Wales Division at the B level, then less than or equal to 60% of the players must be major birth year players.

- i. The Top Team must play at a minimum in the National Division at the AA level, regardless of major to minor birth year player ratio or past playing experience of players.

- For purposes of classification, it is assumed that any club with multiple teams at any age classification will play their best team at the highest level. - b. A failure of a Club to declare a team properly will have consequences.

- c. A failure of another Club to object to a declaration will not protect a team found to be non-compliant under Section 6.1.4 Team Declaration Review.
 - d. Each member Club and team is ultimately responsible for making accurate team declarations in accordance with these rules and for managing any roster changes occurring after the team declarations to assure compliance with these rules
3. SUBMISSION OF WAIVERS FOR DIVISION ASSIGNMENTS. No waivers will be granted.

 - ii. Being precluded from participating in the playoffs of the division in which it declares itself and from advancing to represent the CBHL in any events following the completion of the regular season.

 - g. January 31 Review of Team Declarations:
 - i. Using the guidelines stated in 6.1 Team Declarations, on or before January 31, the CBHL Commissioner and the Competition Committee shall review the official USA Hockey Rosters (1-T) and supplemental rosters for each team, except National AA teams where there are no restrictions.
 - ii. Should the Commissioner and the Competition Committee determine that a team has in fact declared improperly, they are authorized to meet and/or contact the Club/Team to discuss potential remedies including the default remedy, declaring the team ineligible for the playoffs.

The League Scheduler and/or Commissioner has the discretion to appoint a committee of 3 persons to assist in making final scheduling decisions.

7. **FAILURE TO APPEAR.** When a team fails to appear for a game where the time and place appear in the official CBHL schedule, where the two teams did not agree in advance to reschedule the game and notify the League Scheduler, the game will automatically be a forfeit win for the non-offending team.
 - a. If the non-offending team prefers to play the game, it will be rescheduled at the convenience of the non-offending team and at the expense (ice costs and referee fees) of the offending team.
 - b. The offending Club shall be assessed a League fine of \$250.00 for each game forfeited unless waived by the Commissioner and shall be responsible for costs incurred for ice rental and officials fees.

3. GAME SLOT TIME. It is the responsibility of the home team and the off-ice officials for the game to monitor the time unavailable in the designated time slot. Both teams must be ready to play at the designated start time.
4. EARLY START TIME. If a previous game ends early and the subsequent ice slot is scheduled for a league game, teams are authorized to start a league game up to 15 minutes early under the following conditions:
 - a. The rink has confirmed that the ice is “unoccupied” and available for use.
 - b. Coaches from each team have agreed that they can start earlier than the scheduled game slot time.
 - c. On-ice officials are available and have agreed to start the game earlier than the scheduled game slot time.
5. DELAYED START TIME. In the event the game cannot start at the designated start time, the home team must inform the visiting coach or team manager as soon as the delay is realized, as well as:
 - a. Provide adequate ice time for the completion of the game as stated in Section 8.1.

 - c. In the event the visiting coach agrees to play the game in the remaining time available, the coach must indicate his/her acknowledgment by signing the score sheet, prior to the commencement of the game.
6. INABILITY TO PLAY THREE STOP-TIME PERIODS. A game is not an official game until two (2) full periods have been completed. If two full periods are not played, no recognition of the game being played will occur, except in cases of serious misbehavior, such as fighting, misconduct, or match penalties, (which may have been the cause of the game incompleteness).
 - a. It is the responsibility of the HOME off-ice officials to ensure the exact start and stop times of the game slot. In the event of extraordinary circumstances that prevent having three full stop-time periods, two full stop-time periods will be played.
 - i. Prior to the start of the third period, take the remaining time for the game slot, divide in half and put that time on the clock for the third period. Do not exceed the published time period for the third period. (Example: 20 minutes left in game slot = 10 minute stop-clock period.)
 - ii. If the ice slot may be extended by the rink, the third period may be played to conclusion. It shall be the responsibility of the home team to determine, prior to the start of the third period if the ice slot may be extended.

- b. The scorekeeper is responsible for recording the actual start time (when players were permitted to enter the playing surface) and the actual end time of the game in the electronic scoresheet. Should a game not be played to its required length as directed in 8.1 for any reason, the scorekeeper shall make a note in the electronic scoresheet prior to locking the game, with an explanation on why the game slot was shortened.
 - c. Violations of rules 8.5 and 8.6 will be subject the game to a formal review, and if it is determined that teams willfully violated these guidelines, the offending teams may be subject to disciplinary action, to include game forfeiture and/or suspension of coaches.
7. RUNNING CLOCK RULE. At all levels of play, in games between CBHL teams, (whether league or exhibition games, to include playoff games,) a running clock rule is in effect. If one team attains a lead of five (5) goals at any time in the third period, there will be a running clock.
- a. The clock will run continuously except when a player is injured.
 - b. Penalties occurring during a running clock will also be on running time. No adjustments to penalty time lengths will be made. If a penalty expires during a play stoppage, the player may not leave the penalty box until the puck is dropped at the next faceoff. Scorekeepers may stop the clock to input the penalty on the scoreboard, but must then immediately start the clock following the input.
 - c. The game will return to “stop time” whenever the goal differential is four (4) or less.
8. TEN-GOAL RULE. At all levels of play, in games between CBHL teams (whether league or exhibition games), a ten-goal mercy rule is in effect. If one team attains a lead of ten goals, at any time during the game, the game terminates, the score and all statistics are final and under no circumstances shall play be permitted to continue.
9. UNEQUAL RINK CONDITIONS. In the event rink conditions result in a potential inequality for one team (for example, sun conditions at an outdoor rink, the absence of a goalie crease at only one goal, etc.), the teams shall switch ends of the rink at the middle of the third period.
- a. The clock shall be set at one-half of the time of the third period.
 - b. This is intended to assure that playing conditions shall be as even as possible for both teams.
10. ARTIFICIAL NOISE MAKERS. The use of artificial noisemakers such as air horns, cowbells and coin-filled bottles is strictly prohibited during CBHL games. This rule will be enforced by the team manager, game or playoff Coordinator.

12. GAME SCORE SHEETS. Score sheets are the official record of the game. All league games, to include playoff games, between two CBHL teams must be scored through the GameSheet electronic game scoring system.

- a. It is the responsibility of the home team to maintain an official record of the game via the GameSheet scoring system.
- b. Score sheets must be filled out completely as well as signed by both rostered head or acting head coaches (before the game begins) and all officials (after the game ends) prior to final submittal.
- c. Scoresheets must be finalized and submitted (locked) no later than 48-hours after the conclusion of the game
- d. If a score sheet is not received in accordance with this rule, the responsible team’s club will be fined \$50 for first offense and \$100.00 thereafter.

13. GOAL PEGS: Goal pegs/goal anchors will be used for all CBHL games at all age group and divisions.

14. CODE OF CONDUCT and ZERO TOLERANCE.

- a. The home and visiting teams shall be responsible for all conduct of the spectators as well as the teams. After a game, the referee(s) should indicate the team to leave the ice first. The coach is responsible to see that his team exits the ice and enters the locker room without incident.
- b. USA Hockey Zero Tolerance Policy is followed by the CBHL.

ZERO TOLERANCE: In an effort to make ice hockey a more desirable and rewarding experience for all participants, USA Hockey has a zero tolerance policy that requires all players, coaches, officials, team officials and administrators and parents/spectators to maintain a sportsmanlike and educational atmosphere before, during and after all USA Hockey-sanctioned games. Thus, the following points of emphasis must be implemented by all referees and linesmen and supported by local governing bodies and leagues:

- a. Players - A minor penalty for unsportsmanlike conduct (zero tolerance) shall be assessed whenever a player:
- i. Openly disputes or argues any decision by an official.
 - ii. Taunts or incites an opponent.

 - iv. A misconduct penalty shall be assessed to any player who uses obscene, profane or abusive language anywhere in the rink to anyone before, during or after the game. A game misconduct penalty shall be assessed to any player or team official who uses language that is offensive, hateful or discriminatory in nature anywhere in the rink before, during or after the game.

b. Parents/Spectators:

The game will be stopped by game officials when parents/spectators displaying inappropriate and disruptive behavior interfere with other spectators or the game. The game officials will identify violators to the coaches for the purpose of removing parents/spectators from the spectator's viewing and game area.

Once removed, play will resume. Lost time will not be replaced, and violators may be subject to further disciplinary action by the local governing body.

This inappropriate and disruptive behavior shall include:

This is in addition to the suspension requisite with the penalty.

9.0 Discipline

1. DISCIPLINARY PROCEDURES. All games between two CBHL member teams are subject to USA Hockey and PVAHA disciplinary procedures. The disciplinary procedures in this section apply in addition to USA Hockey and PVAHA disciplinary procedures and are relevant only to games played during CBHL league play. I.e., applicable only to games between two CBHL teams during CBHL scheduled games. USA Hockey rules control all other games.
2. GAME SUSPENSIONS. Players and coaches suspended from any game must be listed in the suspended player section of the score sheet to indicate they did not participate in the game. The names must be listed; however, the suspended person does not need to personally sign the score sheet.

 - b. Supplemental discipline may be assessed by the CBHL Discipline Committee for issues that are contrary to or a detriment to the fair and equitable competition and the appropriate game experience for all involved. This may include excessive penalties by a team, player, or team official over the course of the season, specific detrimental behavior exhibited outside of the game environment (parking lot, social media, etc.), or behavior or activities that are contrary or threatening to the CBHL.
 - c. Proper review and investigation must occur, with a hearing if requested, before supplemental discipline is determined.

- d. Reporting of incidents or issues that may fall under Supplemental Discipline from an association's membership must come through the association president. Reports from coaches or parents will be referred back to the association president to be reviewed, and then reported back to CBHL.

- c. Note: In considering USA Hockey rules 404 (c) and (e) and 405 (c), the term "proper authorities" who may impose further suspensions for a game misconduct incurred in a CBHL game shall be the Commissioner or Director of Discipline of the CBHL, not the coach's or player's own Club authorities. This does not prevent a Club from also imposing additional disciplinary actions.

6. MATCH PENALTIES.

This does not prevent a Club from also imposing additional disciplinary actions.
7. SUSPENSION CARRIED FORWARD. If a suspension is not fully served in the course of a season, or if a suspension is incurred as a result of a game misconduct in a game between two CBHL teams after the regular season, the balance of the suspension must be served at the beginning of the next season.

10.0 Protests / Complaints

1. PROTESTS. Recognizing that a vital objective of league play is development of concepts of sportsmanship, protests are not favored and normally may be expected to be denied except in instance of a gross violation of the rules, such as the use of an ineligible player. An on-ice official’s judgmental decisions are final and are not subject to protest.
- a. Only a CBHL member association president or their designated CBHL representative can lodge a protest. A coach or parent may not lodge a protest.
 - b. Protests may be lodged under this section on rule violations occurring during game play, eligibility issues affecting games, and any other issues not sufficiently resolved by officials, coaches, or other administrators. Once filed, determination will be made as to whether the protest has merit, and if so, the CBHL will move forward with an investigation, a hearing if necessary, and final resolution.
 - c. Notification must be sent to the Commissioner of CBHL within forty-eight (48) hours of the game.
 - d. The president of the offending teams’ association will be notified within forty-eight (48) hours after notification of the protest to the CBHL.

3. APPEALS. Any CBHL member association team, player, or a member in the PVAHA may appeal a disputed case or matter or protest to the PVAHA Board of Directors only after they have had a hearing decision or have been refused a hearing within the CBHL or their association.

2. LEAGUE STANDING DETERMINATION FOR NON-TOURNAMENT BOUND DIVISIONS. Points shall be awarded on the basis of two points for a win and one point for a tie. If teams have an equal number of points, their final position standings will be determined by the results of league games played considered in the following order:
 - 1) Points awarded in head-to-head competition.
 - 2) Subtracting goals scored against from goals scored in head-to-head games. The team's position shall be in order of the greatest surplus.
 - 3) Total number of wins in all league games.
 - 4) Fewest goals allowed against all clubs.
 - 5) The team with the least total penalty minutes.

If there are three or more teams tied in the standings, the total number of wins in all league games will still be used as the first tiebreaker.

The remaining tiebreaker rules will be applied to all teams tied with the highest number of wins followed by applying the tiebreaker rules to all teams tied with a lower number of wins until all ties have been resolved. If the tied teams have not played the same total number of games against the other teams that they are tied with, then Tiebreaker 2 and 3 do not apply.

3. LEAGUE STANDING DETERMINATION ALL TOURNAMENT BOUND DIVISIONS.

Points shall be awarded on the basis of two points for a win and one point for a tie. If teams have an equal number of points, the CBHL will follow the guidelines set forth in the current version of the USA Hockey Annual *District and National Championship Tournament Guidebook* to determine final standings. (“Method of Determining Champion.”)

The current USA Hockey Annual *District and National Championship Tournament Guidebook* can be found here: <https://nationals.usahockey.com/>

4. LEAGUE STANDINGS – TIE BREAKER. If the tie-breaking techniques do not resolve the tie, the Commissioner shall resolve the matter. (Note: These provisions, which do not permit consideration of the total goals scored against all other teams, is specifically intended to give no benefit to a stronger team’s running up the score on a weak team.)

12.0 Playoffs

(Note: If the girl’s player is unable to play due to injury but is present at the girl’s division game or has a doctor’s note covering the period of time the game was held, it will count towards the 50%. Players who are marked if a player is marked absent/injured/not playing for a girls game, yet actively plays a game for a youth team they are legally dual rostered on for the same day the game will not count towards the 50% requirement for their girls team.)

- The Home Team Coach will decide which team shall shoot first.
 - Players whose penalties have not expired prior to the start of the overtime shootout are ineligible to participate in the shootout and must remain in the penalty box.
 - The shootout procedure shall begin with five different individual shooters from each team taking alternate shots. The players do not need to be named beforehand.
