## 1. BTHL (Buckeye Travel Hockey League)

Website: [www.buckeyetravelhockey.com](http://www.buckeyetravelhockey.com)

General Email: [buckeyetravelhockey@gmail.com](mailto:buckeyetravelhockey@gmail.com)

Scoresheet email: [scoresheet@buckeyetravelhockey.com](mailto:scoresheet@buckeyetravelhockey.com)

### Entering Games on Crossbar BTHL Site

1. All Home League games should be entered on your Team Page of the BTHL website
2. To get there, log in at <https://www.buckeyetravelhockey.com/>, go to Account at the very top, then Teams on the left.
3. Click on Team Page next to your team
4. To enter Games, click the Games tab on the left, and then the +Game button on the right.
5. Non-League games should be entered in the same way, but start at your club website home page instead
6. The rest of the navigation should be the same - Account -> Teams -> Team Page -> Games -> +Game

**\*\*\*League games will not show up on your Club team page immediately.**

The support person BTHL worked with thought it Imported once a day, but was going to check on that to find out for sure what the schedule was. However, if you look at the top of your Games page on your Club site, there is an Imports button. Clicking on that will show a list of the configured Imports for the page, the only one should be the BTHL site. Click the refresh button to immediately import from the League site, so games you just entered there should come down to your Club team page.

### Entering Scores

1. Before the end of day Monday following weekend games, the home team needs to log back into the BTHL website and enter the game score
2. You will also be prompted to upload the scoresheet at that time. You can take a picture with your phone for uploading
3. All scoresheets, including non-league games, should be emailed to [scoresheet@buckeyetravelhockey.com](mailto:scoresheet@buckeyetravelhockey.com), again by end of day Monday following games. We are required as a League to track "dangerous" penalties, and this is the only way we can be sure we get them all. Again, a legible phone picture is sufficient.

### Entering Misconduct Penalties

1. Major (5 minute penalties) and Misconduct penalties (10 minute misconduct and Game misconducts) should also be reported using the Misconduct forms located on the BTHL website under the Resources menu
2. These should be reported for all games, both league and non-league
3. These must be entered within 24 hours of the game. Please note that it will take a few days to show on the website though
