

Marauders July Board Meeting Minutes

Monday July 14, 2025, Dugout Bar, Mahtomedi, 7pm.

Attendees: Brian, Kristina, Dave, Cullen, Bridgette, Candace, Brad Sleeman

Agenda:

- Welcome
 - Open Forum
- Tournament update
 - Need a 12B2 tournament, otherwise we have filled all except 2nd 15B team, if needed.
- Registration update
 - Current numbers from both sides vs forecast (specifically for new 10U players)—still too early for a read.
 - Make sure skaters are also registered on Marauder website.
 - Play-ups—need to follow guided process in the Co-Op agreement.
 - Might need a 4th 10U team, depending on registration numbers.
- Jerseys
 - Questions from 15U parents not sure if moving onto high school or not, hesitant to purchase new jerseys.
 - Was suggested we skip new jerseys for 15U, no initial push back to this, no vote either.
 - Conversation continued, post meeting, deciding to have new jerseys for all levels, including 15U, as only 5-7 players are unsure of youth vs high school for this season. Majority decision made for all teams getting new jerseys.
- Coach registration & interviews
 - Communication to go out in August for head coaches to apply online, interviews held at the end of August.
 - Head coaches selected after tryouts, will then choose their staff.
- Tryout format
 - Does anything need to change?
 - More weight for game play vs fundamentals.
- Player development update
 - Still waiting on ice commitments before we reach out to vendors.
 - 2,000 shot challenge (and app) up and running.
