

Hockey Season is fast approaching! The Kankakee Youth Hockey Club (KYHC) is actively seeking family and business team sponsorship support in helping to provide a quality hockey experience for local youth hockey players from around the Kankakee Area. KYHC is made up of teams with players in grades K - 12th. This year, the Kankakee Youth Hockey Club season starts with pre-season games in September and ends with the League Playoffs in March. We aim to educate youth players by teaching positive life values like dedication, hard work, and self-discipline. We know that when children progress through our organization, they learn to play hockey and gain self-confidence and good sportsmanship.

Hockey fees and equipment are expensive. Eighty Percent of your sponsorship dollars go directly to the player you are sponsoring. Your sponsorship helps make hockey affordable and allows the Kankakee area to have one of the best hockey clubs in the Chicagoland Area.

If you are interested in sponsoring the Kankakee Youth Hockey Club for the 2025-26 Season, Please scan the QR Code Below to access the online version of our Sponsorship form. Thank you for your support!
