

La Crescent Youth Hockey
2024 - 2025
Coaches Code of Conduct

The following Code of Conduct was prepared by USA Hockey's Youth Council.

- Winning is a consideration, but not the only one, nor the most important one.
- Care more about the child than the winning of the game. Remember players are involved in hockey for fun and enjoyment.
- Be a positive role model to your players, display emotional maturity and be alert to the physical safety of players.
- Be generous with your praise when it is deserved; be consistent, honest; be fair and just; do not criticize players publicly; learn to be a more effective communicator and coach
- Adjust to personal needs and problems of players, be a good listener, never verbally or physically abuse a player or official; give all players the opportunity to improve their skills, gain confidence and develop self-esteem; teach them the basics.
- Organize practices that are fun and challenging for your players. Familiarize yourself with the rules, techniques and strategies of hockey; encourage all your players to be team players.
- Maintain an open line of communication with your players' parents and with the players on your team. Explain the goals and objectives of your association.
- Be concerned with the overall development of your players. Stress good health habits and clean living. Teach, promote and hold accountable for good eating and sleeping habits.
- ***To play the game is great, to love the game is greater.***
