

## Coach Expectations Contract with WFSC

The Williston Figure Skating Club (WFSC) mission is: *“To encourage and foster the love of figure skating through education, training, and advancement of its members. To provide a fun and committed environment that allows figure skaters of all ages and skill levels with opportunities to pursue recreational and competitive figure skating.”*

In order to create an environment that facilitates our mission, we have important expectations of our head coaches, junior coaches, temporary coaches, and guest instructors.

Please read and sign below:

I, \_\_\_\_\_, as a coach of WFSC agree to keep the club culture positive, encouraging, and educational. In order to do this, I agree to the following;

1. Integrate safety into all parts of the skater experience.
2. Show empathy to the many emotions present in our child athletes.
3. Conduct engaging and interesting training sessions for all ages that maximize participation and athlete development.

I agree to utilize the 4 C's:

**Competence** - teaching technical skills that provide a solid skating foundation.

**Confidence** - built through self-belief.

**Connection** - with parents and athletes to encourage cooperation and support.

**Character development** - by being a role model of expectations and acceptable behavior while representing the club, on and off the ice.

I serve, encourage and support our members to help them achieve their goals. I agree to immediately communicate with a child's guardian and a head coach if there are any behavior modification actions/consequences enacted that day.
