

Rampart Hockey Parents Organization

The Rampart Hockey Parents Organization (RHPO) is dedicated to supporting student-athletes and their families while helping players grow as well-rounded individuals both on and off the ice. Each year, we proudly support the Rampart High School Rams Hockey Team as well as the Colorado Springs Bighorns, a club program open to players throughout the community. Both programs emphasize sportsmanship, character, education, teamwork, leadership, and citizenship.

As you may know, hockey is one of the most expensive youth sports. Ice time alone costs nearly \$300 per hour, not to mention equipment, referees, and league fees. RHPO also provides scholarships to players in need, ensuring that financial barriers do not prevent athletes from playing. One of our proudest achievements has been funding the only outdoor Skills Development Center (SDC) in Colorado Springs, which allows players to train year-round in stick handling, shooting, conditioning, and more. Last year, we contributed over \$5,000 to expand the facility with a half-rink, goalie training area, and shooting lanes.

To continue providing these opportunities, RHPO is hosting our annual golf tournament at the Air Force Academy's Eisenhower Golf Course October 4th, 2025!!

While this event has long been known as the "Rampart Hockey Golf Tournament," this year we are rebranding under the Springs Bighorns banner. Although district guidelines prevent us from using the Rampart name, our mission remains the same — supporting the same players, programs, and cause.

We invite your business to join us as a sponsor. Any level of support is deeply appreciated and fully tax-deductible (Tax ID: 93-3613319). Please see the attached flyer or scan the QR code below for more information on sponsorship tiers and benefits.

Thank you for your consideration. If you have questions or would like to discuss sponsorship opportunities, please contact:
