 - **Pittsburgh Pennies clinic** - Proposal submitted. Waiting for response from Penguins Foundation.
 - **Rink dividers Boards**- I'd like to propose we purchase Rink divider boards for Mites. Utilizing the 2k left over in the mite account from last year to go towards this venture. We would be looking at roughly \$16k in costs.
 - I have started the process of finding sponsors for this. I have a verbal commitment from CCL and a call with JCL energy. This

would obviously offset some of the expense. With the amount of money in reserves I ask that we take a look at a purchase like this ahead of the season start.

- **End of year tournament.** - If we do agree to purchase the boards, can we take a look at offering a tournament at the end of the season? This would be a great showcase for our home and new boards as well as a chance to generate revenue to further offset costs.
