SPONSORSHIP KIT

**SUPPORT OUR MISSION AND GAIN
VISIBILITY BY CHOOSING ONE OF OUR
SPONSORSHIP TIERS.**

Legacy Lacrosse Call to Action

All donations, no matter the contribution size, are greatly appreciated. Lacrosse is a sport unlike any other and Legacy is committed to increasing exposure & bringing NCAA level coaching and training to the Evansville area. Your donations will help cover numerous expenses like field rental time, tournaments, startup overhead expenses, thus helping to provide more kids, middle school and high school alike, an opportunity unlike any other to create their legacy.

Your donation will also directly impact our Legacy Scholarship. The Legacy Scholarship is given to a student athlete that displays immense passion for, and dedication to, the game of lacrosse. The athlete is selected by their high school or middle school programs head coach and/or board. Once agreed upon, that student is able to train, compete, and learn with Legacy, free of charge to them and their family.

Lacrosse in Evansville is arriving to the point where it can truly grant kids in the area opportunities like never before. Playing at the next level, NCAA, NAIA, or otherwise, while also allowing them to continue their academic careers at great colleges and universities. This is what leaving your legacy is all about. Passing it on. Being a good steward. Helping your community along the way.

SUMMER LEAGUE

LEGACY SCHOLARSHIPS

We want to grow the game and make it as accessible as we possibly can. That's why we created the Legacy Scholarship — a program that provides one free registration for a deserving player at every school we serve, hand-selected by their head coach.

The Legacy Scholarship ensures that the most motivated athletes — regardless of financial circumstances — have the opportunity to grow, compete, and represent their community through the sport of lacrosse.

★ CLINIC TITLES

★ SEASON TITLES

★ CAMP TITLES

SUMMER LEAGUE

AGE GROUPS

Our goal is to form double-grade teams (e.g., 31/32), but we may combine adjacent graduation years when needed to ensure balanced rosters and a strong, competitive experience.

Potential Leagues
