Public Comments (3-5 minute max)

Sydnee gave an update on her Senior Project - she has reached out to newspaper, radio, tv stations - waiting for responses. Making postcards to say thank you to donors.

Agenda Amendments - **None**

Reports

President Report

Amy Baumer resigned from secretary of SHA. After the last meeting, the board appointed Betsy Pace per Bylaw guidelines. Amy was not able to attend this meeting so Betsy recorded the minutes.

Willow went to the IAHA meeting but did not have any major updates.

We will hold a board meeting June 25, 2025 with new board members.

Treasurer Update

See report (read by Holly as Amy was unable to attend)

Fundraising Director's Report

Holly read a nice letter about her experience in this role and is officially stepping down. SHA thanks her for her service!

Rink Upgrade Committee Report

Greg said Everything Ice is on schedule to start rink construction the first week in June. A few little things remain to do. Willow added weeds are getting sprayed this week.

Old Business

Benefit Dinner – Carrie Stokes, Raquel Konz

The benefit dinner will be held September 27, 2025 on the new rink surface. Theme is “luau on ice” and the organizers have collected some donations, brainstormed game ideas, written a donation letter that they will start sending out this week, booked an auctioneer for a small fee, and have a goal of 100 attendees. Racquel is wondering about doing an incentive for new registration at the dinner, we would need registration ready by then. Highlander donated a keg for the benefit dinner, discussion about how to use it.

Handbook

Everyone has a section to review so we can finalize the updated handbook in the future.

Rink Assistant Position

Robert was unable to come so we will table this for now.

Referee Team:

Representative – Carrie Stokes

Registration for officials has opened. Discussion of how SHA will reimburse USA hockey fee and ref exam fees as long as they ref 10 games. Frances knows a lot about how to do it all, including where to buy ref gear. Discussion about holding an in-person training this summer to get a bunch of people certified. Frances said there may be a ref development camp in Missoula this summer.

New Business
