

Chaska Youth Softball Association

At the beginning of each new season the Chaska Youth Softball Association (CYSA), a 501(c)(3) non-profit, invites Chaska's business community to sponsor our organization.

Our goal is to provide the youth in Chaska and the surrounding communities the opportunity to learn the fundamentals of softball and further develop those skills. This is done in a safe, fun and positive environment while teaching the values of good sportsmanship and teamwork. We have a K/1/2 league, traveling and community leagues and have over 200 players.

Are you looking for a way to give back to the community, sponsor local youth and advertise your company? For more information on the Chaska Youth Softball Association please visit our website at www.cysafastpitch.com. Please select the type of sponsorship you are interested in and return by March 1st, 2025.
