Become A Sponsor

HYHA is a non-profit organization seeking sponsors & donations for our league. As ice time costs in CT rise, the margin programs operate under, ours included, become harder & harder to maintain. We are asking for sponsors to help offset these costs to our members as well as the costs of tournaments, uniforms, etc. Like many, the COVID year forced our program to shut down & not collect full tuition. All while still paying our full contract ice time agreements. Any sponsorship or donation will help us out tremendously!
