

ARVADA HOCKEY SPRING SELECT 2024 April 2 – 28, 2024

Our Spring Select program is designed to be a more conventional spring program with the focus on individual skill development, competitive mindset and hockey IQ in a high paced environment.

As a reminder – The Spring Select program is open to anyone in the area regardless of your current club, and we encourage you to skate with us over the 4 weeks of programming to continue their development.

The Spring Select Program will only allow for a limited number of players. The teams will be selected with both travel players for the tournament and practice players (practice players do not travel to the tournament)
