

1. The Board will request from WAHA team invitation codes to use game sheets. Once received these codes will be sent to Team Managers.
2. Team Managers/Coaches will create an account for their team by going to <https://gamesheet.app/account/new> and completing the registration form.
3. If the Team Manager/Coach already has an account, they can update it to include this new team by clicking on their name in the top right corner of the Dashboard and then Accept Invitation.

Get Started with a Dashboard Account

If you don't already have a **GameSheet** account, create a new account by following these steps:

1. Go to <https://gamesheet.app/account/new>
2. Fill in the required fields and for the *Invitation Code*, enter the unique team code provided to you by your league and click "**Continue**."
 - a. Note that the invitation code is 10 characters long and is composed of random numbers and letters. If you did not receive an invitation code, contact your league administrator.
3. Verify that the correct team is listed and click "**Create Account**."

Managing your Roster

Once they have created an account, follow the links down from Association, to League, to Season, to Season Teams and click on your team. From this page you can manage your roster. For more information on how to manage your roster, see the GameSheet Knowledge Base article on [Roster Management](#).
