Board Members – Safe Sport / Bylaws

- All need to make sure their safe sport is updated.
- Bylaws – Will come up with a way to do electronic voting in the future on election night in April.
 - Add something stating that every kid has a chance to play hockey even if they can't afford the fees.
 - Add that there will be a member/parent meeting in early September each year.

Registration

- Offer early bird pricing until 7/1. Will receive \$50 off prior to then.

Volunteer Hours

- Will look at making some changes to volunteer hours. Possibly set a 20-hour minimum. Will keep track of electronically. LTS families do not have to work concessions during high school games.

Coaching

- There will be a maximum of three coaches per team this season per WAHA. Coaches who typically coach multiple teams may have to pick a primary team.

New Business

- No new information on if THA reached out to Antigo to see if they want to come play in Tomahawk. That way we can have two bantam teams. Will have to re-look at numbers.
- Ref shortage – Look at reimbursing all refs (whether from Tomahawk or not) their ref fees for clinics AFTER they have refed a certain number of games (TBD).
- Raise Right – Katie will run a report showing which families have earned funds from Raise Right.
- Need a board member to attend the WAHA Annual Mtg on 8/2-8/3.

WaWui Updates

- They are looking to apply for the Bierman Foundation Grant again to see if they can get some funding assistance to improve the rink.

Next meeting date: July 23 @ 7:00pm
