Ice –

November ice is complete. Still waiting on 2nd round game ice back from District 2. Was told last week that won't happen until closer to the District coaches meeting 11/10. Associations are pushing back on D2 holding game ice until after coaches' meetings. More to discuss on this topic.

D2 –  
No Report

Equipment –

A team used our logo to order their own spirit wear without our permission. Situation not yet resolved. Pure Hockey is our only Spirit wear provider. It is NEVER acceptable to use our logo without written permission.

Mite/Mini Mite Jerseys should be in around Mid November. Some supply chain issues obviously but I think Pure Hockey figured it out. Socks for them were also ordered.

There are past year extra jerseys for Mites in cages if we need extras. However, they are not all the same color.
