◆ 2008 Renamed Bogus Basin Ski Education Foundation

◆ Bogus Basin Sports Education Foundation Since 2024 ◆

The Bogus Basin Sports Education has a long history of sharing the love of mountain sports with Treasure Valley Youth. Founded in 1967, the scrappy ski race club for local kids has since evolved to provide competitive Freeski, Snowboard and Park & Pipe programs right alongside its hallmark Alpine Race programs. When the snow melts, BBSEF athletes take to the trails on mountain bikes.

Here's to putting smiles on kids' faces throughout the year!

A Promise for the Future

BBSEF Endowment Fund For Athletic Scholarships

Our mission to provide access to competitive mountain sports programs for Treasure Valley youth includes doing what we can to reduce barriers to entry.

The BBSEF Scholarship Endowment was established in 2019 to support young skiers, snowboarders and mountain bikers in pursuit of their competitive and recreational dreams.

Today the Scholarship Endowment is funded at 80%. When it reaches 100%, we will be able to offer scholarship opportunities to BBSEF athletes.

Your donation will help Treasure Valley youth develop a lifelong love of an active lifestyle.

Thank You!
