

STMA Dryland Facility Scheduling Process

Session Allowances (November 1 – February 28)

- **Bantam, 15U, Peewee, and 12U:** 17 sessions per season (up to 4 per month)
- **Squirt and 10U:** Up to 14 sessions per season (approximately 3–4 per month)
- **Mite/8U:** Up to 8 sessions per season (1 every other week, scheduled on Saturdays/Sundays only around practice/game times)

Scheduling Process

1. Once the ice schedule is finalized and added to your team's calendar, team managers will work with their head coach to select dryland times using the Calendly link - <https://calendly.com/operations-stmayh/new-meeting>
2. After selecting a time, managers will add the session to the team calendar as an Event and choose the category Training. Please title the event: "Dryland Practice."
3. Do not submit an ice request form — dryland scheduling will be managed separately once ice times are set.

Weekly Claiming & Cancellations

- All sessions for the upcoming week (Monday through Sunday) must be claimed by 5:00 p.m. on Sunday evening.
- Any unclaimed sessions as of 8:00 a.m. Monday morning may be claimed as one additional session for that week only (Monday through Sunday).
- If you need to cancel a session, please cancel it both on the Calendly link and on your Crossbar calendar.

Notes:

- **This process applies only to the STMA Dryland Facility at the STMA Arena.**
- Bantam, 15U, Peewee, and 12U Weiser sessions are scheduled separately.
