To move 3v3 to the following weekend we would need to purchase an additional 15 sheets of ice.	Temp liaison coordinating with Jillian and McFarland for girls season?
Discussion	Tim Weber	Bantam ice	There was concern from the coaches on the safety of having both girls and co-ed bantams sharing ice as there is no checking for U14 girls. There is also an additional concern of girls always sharing with co-ed that they are not getting a full girls hockey experience. Doug will talk with coaches and look at ice schedule, could tentatively move 1 practice to share half ice with PW on Thursdays.
