### NEWS YOU CAN USE

#### No pay, no play

The club has a no pay, no play policy. All teams have club fees, in addition to team fees. If payments for either are not up to date or a payment plan has not been put in place, players are at risk for not being able to play. This policy can be found here: *(double click on link to be taken to the page)* [No Pay, No Play Policy](#)

Scholarships are available for team fees. The requirements and associated deadlines can be found here: [Scholarship Information](#)

#### Minor Game Officials

For all home games and designated away games, teams must field minor game officials for the score clock, the scoresheet and the penalty box. Practices are a great time to learn how to use the clock and scoresheet; please coordinate with your team manager for practice time. There are also resources you can familiarize yourself with on the association website: [Scoring terminal training/Game Sheet instructions/League iPad Game Codes](#)

Please volunteer for these positions; if they are not filled the kids cannot play. As a reminder, if you are responsible for one of these roles you cannot coach, yell, bang on the glass, etc. for or against either team.

#### Travel

Parents are responsible for arranging travel for their players. Some tournaments will be stay-to-play, with hotels being designated for the team. Your manager/coach will communicate the date/time that games will start/end so that ground or air transportation can be arranged accordingly.

#### Locker Room Monitors

Each team needs at least three locker room monitors that are not one of the coaches. It is **highly recommended** that all moms/female guardians get certified so that there is coverage at all games and practices. Registration for a USA Hockey number and the Safe Sport training are free. The background check costs \$30 and is good for two years. Here are the steps/requirements: [Locker Room Monitor Checklist](#)

#### Fundraising

Teams can choose if they want to fundraise to help defray some of the team fee costs. Fundraisers need to be approved by LHA. Information about the process can be found here (page 23): [Manager's Handbook](#)

# Team Equipment Requirements

Each team will receive an apparel package (they differ depending on the team level). In addition, all players will get a practice jersey/socks and helmet stickers.

- **ALL** players should have a black helmet and black or 14ers gloves
- Goalies do not need a specific color helmet
- Players should wear 14ers warmups for all games
- Players should wear 14ers practice jerseys and socks for all practices
- Stick tape and laces colors are at the discretion of the coach

REMEMBER - ALL PLAYERS MUST WEAR A NECK GUARD AND MOUTH GUARD!

**HOCKEY IS A METAPHOR FOR LIFE. YOU HAVE TO BE WILLING TO GET KNOCKED DOWN AND GET BACK UP.**

## Meet the 14ers Level Representatives

This season LHA implemented a new position known as level representatives. Our level representatives are here to help answer questions, assist with team and club communication, plan 14ers events, and ensure that we are operating as smoothly and successfully as possible. The 14ers have two representatives for the 2025/2026 season.

**Gus Swartz**

**Jennifer Lombardo Dullum**

Gus will be supporting our 15U through 19U teams this season. He has been involved in girls' hockey in Colorado for over a decade, with two daughters who have grown up in the game. Both started with Colorado Select and have been with the 14ers since the program began.

McKenna is on the 15UA team, and Brayden is on the 16UAA team.

He works in the gaming industry as the Field Operations Manager for the Colorado Division of Gaming, overseeing regulatory operations in Black Hawk, Central City, and Cripple Creek.

Jennifer will be supporting our 10U through 14U teams this season. She brings a wealth of experience, having served as a team manager for the past seven years—including last season for both the 14ers (12U Competitive) and LHA (15UAA) teams.

Her daughter Abby is a goalie on the 14ers 14UAA team, and her son Liam plays defense for the Hawks 16UAA team.

Professionally, she has over 25 years of experience in the health insurance industry, primarily focused on managing operational functions.

## Assistant Coach Eric Mayhew

### How long have you played hockey and where?

I've played hockey since I was five years old. So I've been on the ice in some way or form for 37 years. I grew up in Colorado and played my youth career at DU for the Jr. Pioneers. Then, after graduation, I played three years of junior hockey in Michigan and Ohio before playing Division III for Fitchburg State in Massachusetts.

### How long have you coached hockey and where?

I started coaching as a youth player helping out with my younger sister's team. All while I helped with hockey camps at both DU and South Suburban. Then, after college, I started coaching more full-time and haven't stopped. So, in all, I've been coaching for 20-plus years. Most has been here in Colorado at the Tier I and Tier II level for both Co-Ed and Girls hockey. I spent two years as a college Strength Coach at Stanford University.
