Board Positions:

Board is currently evaluating positions and the need for current positions and are we able to combine positions and have fewer board positions. We need to make sure that as board members the requirement is that members attend 2 events per year.

Season feedback:

CMCBL – A lot of rain to start the season, a few games were short. Discussion of not playing games the week before the tournament and allow for practice and save on pitching going into the week.

15 kids on a team is too many kids, but we didn't have the coaching staff to have more teams.

Coach's Dinner:

Sunday, August 10 5:00pm coaches will be provided dinner and drinks at Jimmy's Pour House

Fall Evaluations:

Cyclones will be doing the evaluations again this year. Evaluations will be Saturday, Sept 13, 2025.

Coache's evaluations are requested on a scale of 1-5 and if the player is capable of pitching and catching so that we can make sure that each team can have capable players.

Baseball Camp:

A few college kids will be hosting a baseball camp on Sunday's leading up to fall evaluations, this will be posted this week.

Fall Cleanup:

Same day as Evaluations, Saturday – Sept 13th.

Rox Game: Wednesday, Aug 30 – All SRYBA kids get in free when they wear their jersey.

Check presentation for our launch a ball events throughout the season.

Golf Tournament:

17 teams currently registered

13 sponsors

Looking for silent auction items

Equipment Turn in:

End of season equipment turn in will be Wednesday, August 6 at the Government center from 4-7pm.

Field 9 future improvements:

We would like to see some improvements along 3rd baseline either some netting or additional fencing to try to save some balls from going into the swamp.

Board discussed removing the current mounds to be removed and put in portable mounds to make this field more appropriate for the 10-11U age level.

Tony made a motion to remove the current mound and put in a portable and add netting when funding is available if the City of Sauk Rapids approves, motion 2nd by Brittany Bueckers, board voted and motioned carried.

Martina Juvera-Paul made a motion to adjourn the meeting and was 2nd by Jake Kaufman

Meeting Adjourned at 8:55pm
